MINUTES

The regular meeting of the Executive Council of the Student Association was held on October 5 at 8:00 p.m. in the Seminar Room of the library. The opening prayer was led by Ken Noland.

Business discussed was as follows:

1. More Song books are needed for chapel. Tommy Parish is to see if more are available here on the campus and report his findings to the council.

2. The motion was made by George Kieffer and passed by the council that a drinking fountain be placed on or near the tennis courts. This is to be sent to the Grounds and Means Committee for their approval.

3. The council has been asked to urge the students to be more careful in taking care of the lily pond and not to throw trash into it.

4. The council also decided to ask Brother Crooms if the fountain in the center of the pool could be kept running in hopes of preventing the scum from forming on the surface of the water.

5. Jane Claxton gave us a report after talking to Dr. Mattox about the reward that was to be given in chapel for the best chapel program. Dr. Mattox said that the reward would be given in the near future to the winning social club.

6. The following motion was made by Dick Richardson the Sophomore Representative:

"Realizing the need for an organized and well-planned system of presenting student awards attained during this year, the Executive Council of the Student Association of Harding College will sponsor an Honor Recognition Day toward the end of the school year the purpose of which will be to recognize the outstanding student achievements accomplished this year. This bill will not go into full effect until the Faculty has approved this plan of organization."

7. Dick Richardson made the suggestion that the whole council be presented at the next All Student Meeting, and be prepared to answer any questions that might be asked them by the students.

8. Paul Magee is to see if honorary member of a club may be presented in chapel for their club participation program.

9. The car problem remained as unfinished business to be discussed at a later date.

The meeting was adjourned with a prayer led by George Kieffer.
